# Benefits of Booking

When choosing your wedding photographer, it's about more than just price and package options. Your photographer's equipment, level of experience, vision, and client communication all matter just as much. A wedding is a big life moment—and a big undertaking, in terms of financial investment, emotional investment, and planning. You want a photographer who is not only skilled, but can anticipate and adapt to the unexpected, who understands your vision, and communicates effectively to make your planning experience smooth and stress-free. With Kirstin Bimson Photography, you can expect:

## Full concierge experience

- ❖ Open, ongoing communication from the date you book right up to your wedding day.
- ❖ One point of contact—no shuffling between customer service reps and sales teams.
- ❖ Pro tips, tricks, and advice from Kirstin Bimson Photography's 13+ years of experience.

## Value & Security

- ❖ All wedding JPEG's and Digital Negatives are backed up for 1 year, guaranteed.
- ❖ Free high resolution photo downloads from your wedding gallery available to all guests.
- ❖ One booked event per day ensures you get your photographer's full attention and focus.

## Professional Approach

- ❖ Kirstin shoots in 6k+ RAW with two pro-grade full-frame cameras and an array of fast, high-end lenses to ensure the highest degree of image fidelity and coverage quality.
- ❖ Kirstin Bimson Photography stays up-to-date with current trends and evolving industry standards to ensure optimal coverage and minimal day-of disruption, so you can focus on *you*.

# Package *Add-On's* (continued)

## PHOTO SERVICES

### Additional Photos

Basic editing is included with the purchase of additional photos. Basic editing includes cropping, color correction, exposure and tonal adjustments, and image sharpening. Image resolution will match the resolution of other images included in your package.

- ❖ +\$199 per 100 photos.

### Retouching

Retouching is an additional service added on to the purchase of edited photos.

**Light retouching** includes skin smoothing, blemish/scratch and clothing stain removal, teeth whitening, and reduction of eye and facial redness.

**Full retouching** includes all of the former, plus: reduction of flyaway hairs, removal or alteration of background distractions, face swaps in group portraits, and other more complex image manipulations as needed.

- ❖ Light: +\$199 per 100 photos
- ❖ Full: +\$299 per 100 photos

 *All editing and retouching is eco-friendly! No environmentally harmful generative or AI editing is used in the post-production of your images, and Kirstin Bimson Photography's editing workstation is custom-built with energy-efficient components and powered by renewable energy.*

### Expedited Editing

Expedited editing and retouching, with a guaranteed turnaround time of 4 weeks. Please note: expedited editing services are provided by a third party and not your photographer.

- ❖ Expedited editing: \$75 per 100 photos, or \$500 for full gallery packages
