WE FOCUS ON YOUR UNIQUE VISION TO CREATE IMAGES THAT
TRULY REPRESENT YOUR BRAND

Picture Success

What Makes Us The Best Corporate Photographer in Houston?

Your business has a story to tell, and our commercial photography services are designed to capture it with clarity and impact. Whether you need compelling product images, dynamic corporate event coverage, or marketing visuals that set you apart, we tailor our approach to align with your brand's goals.

- **Customized Solutions** – From executive portraits to event photography, we create images that showcase what makes your business stand out.
- **Flexible Licensing** – All images include a commercial-use license for web, social media, and marketing. Need full ownership? We offer a copyright buyout option for complete control over your imagery.

Let's elevate your brand's visual presence—seamlessly and professionally.

HIGHLIGHT WHAT MAKES YOUR BUSINESS UNIQUE

Your Brand, Elevated

Effortless, High-Impact Commercial Photography in Houston

At DNB Productions, we simplify the process of capturing high-quality imagery that enhances your brand. Our streamlined approach ensures a seamless experience from start to finish.

1. **Personalized Consultation** - We begin with an in-depth discussion of your vision, brand identity, and goals. This ensures our photography aligns perfectly with your marketing and business objectives.
2. **Strategic Planning** - We handle all logistics, from scheduling to selecting ideal locations, ensuring an efficient and stress-free photography experience.
3. **Professional Photography Session** - Our expert photographers use top-tier equipment and lighting to capture stunning images that showcase your team, products, or events with precision and creativity.
4. **Expert Post-Production** - We refine your photos with professional editing, enhancing quality and consistency. High-resolution images are delivered promptly, ready for use in marketing, websites, and social media.

With DNB Productions, you get a hassle-free process and exceptional results—because your brand deserves the best.

Pricing

Our commercial photography services in Houston are billed based on a day rate plus licensing fees. For custom digital work, pricing can be calculated on a per-image basis or a day rate, depending on your project needs. Whether you require a Houston commercial photographer, a business photographer in Houston, or a corporate photographer near you, we're here to work within your budget

Half Day - \$1650

- Up to 4 hours of commercial photography
- All images in high resolution
- File organization
- Standard commercial usage license

Whole Day - \$3200

- Up to 8 hours of commercial photography
- All images in high resolution
- File organization
- Standard commercial usage license

Additional Services

- On-Site Viewing: \$250 (Half Day) / \$450 (Full Day)
- Rush Image Delivery: \$750 (Same Business Day)
- Digital Manipulation: \$75/image (i.e. background replacement)

Digital manipulation, including background replacement, removing distracting elements, and retouching, is included as part of our standard process and does not incur an additional charge.

Let us know your requirements, and we'll provide a custom quote tailored to your project.

- Deposit: A non-refundable 50% deposit is required to secure your date.
- Final Payment: Due at proof of delivery
- Image Release: Images are only released after full payment.

This quote is for reference only and not a binding contract.

Additional Services

Transform your professional presence with Corporate Headshots

Designed for professionals, executives, and entire teams, our corporate headshots service brings the studio to you. We arrive at your office or preferred location fully equipped with professional lighting and backdrops to create polished and commanding images that enhance your corporate profile.

What's Included in Our Team and Staff Headshot Session:

- One-look headshot session per team member (5-10 minutes)
- Facial expression coaching for incredible results
- Multiple poses and expressions to choose from
- Instant viewing and selection of images on-site
- One professionally edited, high-resolution image per team member*
- Private online gallery for delivery or secure file transfer
- **ZERO Admin work required** – we handle individual and group delivery

Additional Notes:

- Our mobile studio requires a minimum of 10x12 feet for the the photography station and access to an electrical outlet
- An empty conference room (with a table that can be moved) or training space is often sufficient in size
- Final retouched headshots generally delivered within 2 business days, if not sooner
- One virtual team photo included with teams of 10 or more (\$750 value). Virtual team photos delivered within 5 business days

*additional images per person may be purchased at additional cost
