Hair & Makeup Touch-Ups

Ensure every participant looks their absolute best with our on-site hair and makeup station. A quick touch-up before stepping in front of the camera helps eliminate stray hairs, reduce shine, and enhance overall confidence. This premium service adds exceptional value for your team and ensures a polished, professional final image.

On-Site Image Selection

\$500 half / \$900 full day

Our team facilitates on-site selection, guiding each participant in choosing their favorite image right after their session. This guarantees that every individual receives a headshot they adore, delivered individually in private galleries and to the company. Additionally, selected images can undergo retouching for an additional fee.

Basic Retouching for All Headshots

Elevate the experience by including basic retouching on all delivered images for attendees. This includes blemish removal, wrinkle reduction, and teeth whitening for all images.

Additional Headshot Station

\$1500 half / \$3000 full day

If the amount of headshots you need or the time-constraints of your event require more than a single headshot station can cover, adding an additional headshot station can make sure everyone gets a great headshot in the time allowed. Additional stations also reduce the wait times for attendees.

Custom Scheduling for Executives & VIPs

\$250/event

For events featuring high-profile guests, we offer a streamlined scheduling system to eliminate wait times. Our custom calendar ensures designated individuals receive priority access to their headshot session, maximizing efficiency without disrupting their busy schedules.

We had an exceptional experience working with Douglas. Not only does he bring top-notch equipment and a professional setup, but his ability to make everyone feel at ease in front of the camera truly sets him apart. His rapport with the ladies he photographed was effortless, and the headshots turned out fantastic. We look forward to working with dnb Productions again in the future. - DressforSuccess Houston

Douglas was amazing, made my photo shoot feel like I was so special, it was as if it was only him and I, he was professional, funny, knew just how to make me smile and just made it easy. He is a magician with the camera. Love every minute. Thank you Douglas you're the best! - Ruth Hernandez

Doug's work is AMAZING. And as if the precision and finesse of his photos weren't enough, he's an amazing human being too! I am a professional artist. I mention this only to give proper gravitas to my high opinion of Doug's work. Work with him and ENJOY! - Nick Papas

So easy to work with, put me at ease and now I finally have a headshot that I love! Thank you. - C K

The photographer paid attention to important and often over looked details (necklace clasp, hair loops). Really great experience! - Jennifer Pratorius
