Scope of Work

Transform your professional presence with Corporate Headshots

Designed for professionals, executives, and entire teams, our corporate headshots service brings the studio to you. We arrive at your office or preferred location fully equipped with professional lighting and backdrops to create polished and commanding images that enhance your corporate profile.

What's Included in Our Team and Staff Headshot Session:

- One-look headshot session per team member (5-10 minutes)
- Facial expression coaching for incredible results
- Multiple poses and expressions to choose from
- Instant viewing and selection of images on-site
- One professionally edited, high-resolution image per team member*
- Private online gallery for delivery or secure file transfer
- **ZERO Admin work required** – we handle individual and group delivery

Additional Notes:

- Our mobile studio requires a minimum of 10x12 feet for the the photography station and access to an electrical outlet
- An empty conference room (with a table that can be moved) or training space is often sufficient in size
- Final retouched headshots generally delivered within 2 business days, if not sooner
- One virtual team photo included with teams of 10 or more (\$750 value). Virtual team photos delivered within 5 business days

*additional images per person may be purchased at \$75 each

Pricing

Team headshot Sessions

These take place on-location at your office or another location of your choice. For teams working remotely, new hires, or small teams, our Houston headshot studio is available for sessions. Group sessions are billed per-person with the price going down in tiers. The first 6-9 people at \$175 each, employees 10-19 billed at \$150 each and so on. For teams on-location there is a \$250 location fee.

Pricing Tiers

Persons 6-9	Persons 10-19	Persons 20-25	Persons 25+
\$175/person	\$150/person	\$125/person	Ask for a custom quote
+ Session/On-Location Fee: \$250			

Virtual Group Photo

\$750*

A high-impact, virtual team photo where each individual shines—captured separately, then seamlessly composited onto a custom background. This approach gives you the power to mix and match team members at will without the hassle of a full reshoot, all while ensuring every person nails their best expression and pose. It's a flexible, results-driven solution built for teams that don't settle for anything less than exceptional.

*included with teams of 10 or more

Purchase Terms

- Deposit: A non-refundable 50% deposit is required to secure your date.
- Final Payment: Due day of photo session
- Image Release: Images are only released after full payment.

This quote is for reference only and not a binding contract.

Additional Options

Enhance Your Headshot Experience with Premium Add-Ons

Hair & Makeup Touch-Ups

\$550 half / \$950 full day

Ensure every participant looks their absolute best with our on-site hair and makeup station. A quick touch-up before stepping in front of the camera helps eliminate stray hairs, reduce shine, and enhance overall confidence. This premium service adds exceptional value for your team and ensures a polished, professional final image.

Custom Scheduling for Executives & VIPs

\$250

For events featuring high-profile guests, we offer a streamlined scheduling system to eliminate wait times. Our custom calendar ensures designated individuals receive priority access to their headshot session, maximizing efficiency without disrupting their busy schedules.

Other Services

Commercial Photography Services

"We focus on your unique vision to create images that truly represent your brand."

Your business has a story to tell, and our commercial photography services are designed to capture it with clarity and impact. Whether you need compelling product images, dynamic corporate event coverage, or marketing visuals that set you apart, we tailor our approach to align with your brand's goals.

- Customized Solutions – From executive portraits to event photography, we create images that showcase what makes your business stand out.
- Flexible Licensing – All images include a commercial-use license for web, social media, and marketing. Need full ownership? We offer a copyright buyout option for complete control over your imagery.

Let's elevate your brand's visual presence—seamlessly and professionally.
