## About Us

Studio Central is the newest boudoir & portrait studio in Belair, MD. My name is Jeff and I have close to 30 years experience. My partner/assistant, Kim, is always here and ready to help. We offer free in-studio consultations where we can discuss fees and make you feel comfortable and even your doubts and make you feel comfortable and even your doubts. We specialize in boudoir, portraiture with a mindset geared towards body positivity, promote self-love and appreciation as well as empowerment and uplifting your confidence. We also do regular portraits including families, engagements, maternity, Haremour/fashion and high school seniors. Time us a call or shoot us a message, we can set up your free consultation here at the studio, so you get to know us and see the studio even before you decide to book with us. We can guarantee that you will feel safe and comfortable here and you'll leave our studio feeling stronger, more confident, empowered and self-assured.
